## The City of Millbrae Special Event Guidelines

### **CHAPTER 6**

#### **Compliance with Minimum Wage Laws**

A. Permittee is required to ensure that all workers in connection with their event (either directly or through a contractor or subcontractor) who perform services within the geographic boundaries of the City of Millbrae are paid at least the Millbrae Minimum Wage. For more details, please go to the [Office of Labor Standards Enforcement](#) website.

B. *Prevailing Wages for Theatrical Workers*

Contracts, Leases, Franchises, Permits and Agreements issued or granted by the City of Millbrae for the use of property owned by the City of Millbrae shall require any individual engaged in theatrical or technical services related to the presentation of a Show to be paid not less than the Prevailing Rate of Wages. Individuals engaged in theatrical and technical services include, without limitation, those engaged in rigging, sound, projection, theatrical lighting, videos, computers, draping, carpentry, special effects, and motion picture services.
