Active 101: US 101 San Mateo County Crossings Improvement Plan

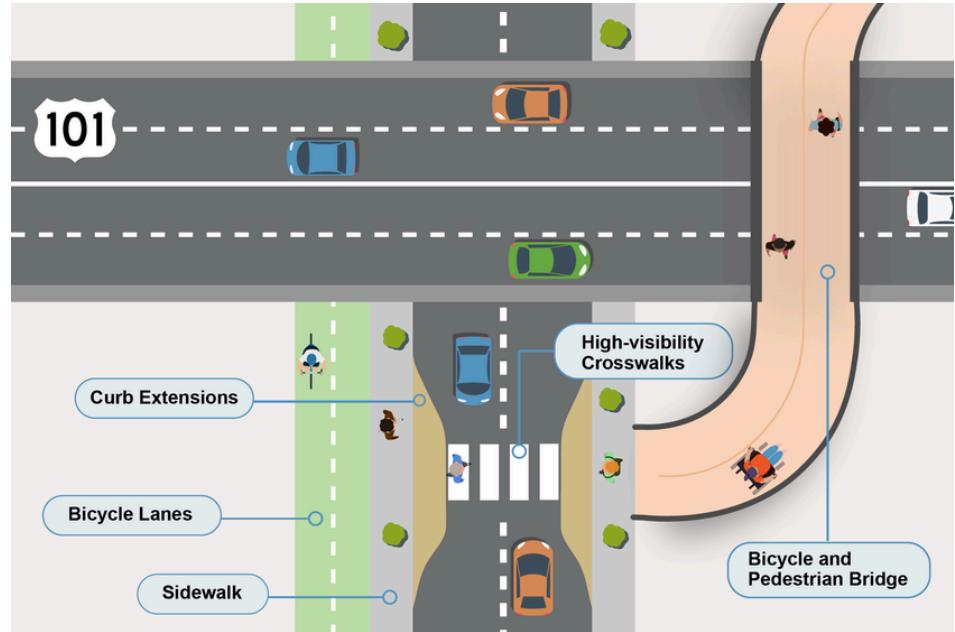

The San Mateo County Transportation Authority (TA) wants to hear about your experience traveling near the 101 Corridor and learn what improvements are most important to you. Your input will help develop the 101 Corridor Connect: US 101 San Mateo County Crossings Improvement Implementation Plan (Active 101).

Active 101 aims to identify priority crossing and corridor improvement needs to enhance conditions for people walking, rolling, biking, and using transit along US 101.

You can share your feedback using an online mapping tool to tell the TA which active transportation improvements are most needed near US 101. Enter for a chance to win a \$250 gift card.

This Halloween, Millbrae Environmental Programs is inviting all Millbrae students, from Kindergarten to High School Seniors, to get creative by transforming leftover candy wrappers or other recycled materials into incredible art pieces. And yes, prizes are up for grabs!

Create a 2D or 3D piece of artwork from candy wrappers or other recycled materials and submit your entry by November 15, to win a prize!

Requirements:
Only use recycled materials besides the base paper.

Submit your entry online at bit.ly/MillbraeArtContest or in-person at Millbrae City Hall Public Works Counter by November 15.
