## Did you know the installation of new or replacement windows needs a building permit?

### Planning to Replace Your Windows? Here's What You Need to Know!

Windows are more than just a design feature, they play a big role in your building's safety, comfort, energy efficiency, and overall appearance. That's why our team carefully reviews window plans before issuing a permit to ensure they provide proper natural light and ventilation, function as a weather barrier, meet California Energy Code requirements, allow for safe emergency exits, and fit the architectural style of your home and neighborhood.

Once your new windows are installed, a City building inspector will visit to make sure everything is installed safely and correctly. This final inspection is important, it helps prevent issues like leaks, mold, or pests that can result from improperly sealed or installed windows. It's a key step in protecting both your home and your investment.

If you're thinking about replacing your windows, we're here to help. Reach out to us at (650) 259-2321 or email [ptech@ci.millbrae.ca.us](mailto:ptech@ci.millbrae.ca.us) for information and guidance before applying for a permit. We're happy to answer your questions and make the process as smooth as possible!

# MILLBRAE POLICE BUREAU

**National Police Week**  
**May 11-17, 2025**

Chief Allen would like to recognize National Police Week from May 11 to May 17. National Police Week offers honor, remembrance, and peer support while allowing law enforcement, survivors, and citizens to gather and pay homage to those who gave their lives in the line of duty.

In 1962, President John F. Kennedy signed a proclamation designating May 15 as Peace Officers Memorial Day and the week in which that date falls as Police Week. Law enforcement officers from around the world come together in Washington, D.C., to participate in a number of planned events honoring those who have paid the ultimate sacrifice. Several events are taking place in Washington, D.C., including the Annual Candlelight Vigil, honoring the fallen officers of the United States. Please join us in honoring those who have made the ultimate sacrifice in the line of duty during Police Week this year.
