

**RESOLUTION NO. 17-30**

**CITY OF MILLBRAE, COUNTY OF SAN MATEO  
STATE OF CALIFORNIA**

\*\*\*

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MILLBRAE TO  
RECEIVE REPORT AND APPROVE A WORK PLAN TO DEVELOP A GREEN  
INFRASTRUCTURE PLAN IN ACCORDANCE WITH PROVISION C.3.J OF  
THE MUNICIPAL REGIONAL STORMWATER PERMIT**

**WHEREAS**, the San Francisco Bay Regional Water Quality Control Board's Municipal Regional Permit (MRP) regulates stormwater discharges from municipal storm drain systems throughout San Mateo County, including the City of Millbrae; and

**WHEREAS**, Provision C.3.j of the MRP requires each permittee to develop a Green Infrastructure Plan that demonstrates how permittees will gradually shift from the traditional "gray" storm drain infrastructure, which channels polluted runoff directly into receiving waters without treatment, to a more resilient and sustainable storm drain system comprised of "green" infrastructure, which captures, stores and treats stormwater; and

**WHEREAS**, the MRP also requires that Green Infrastructure Plans be collectively designed to achieve specific reductions in mercury and PCBs (polychlorinated biphenyls) within specific time horizons; and

**WHEREAS**, all permittees under the MRP are required to approve a workplan for developing a Green Infrastructure Plan by June 30, 2017; and

**WHEREAS**, the City/County Association of Governments of San Mateo County (C/CAG) has been working with its member agencies, including the City of Millbrae, to develop model green infrastructure planning documents, including a model workplan; and

**WHEREAS**, the City of Millbrae's workplan details the required tasks to develop a Green Infrastructure Plan compliant with MRP requirements, including those aspects that will be implemented by C/CAG and those by local agencies; and

**WHEREAS**, it is the intent of the City of Millbrae to allocate sufficient resources to ensure the timely development of a Green Infrastructure Plan in accordance with MRP requirements; and

**WHEREAS**, the City of Millbrae is committed to complying with requirements of the MRP.

**NOW, THEREFORE BE IT RESOLVED THAT THE CITY COUNCIL OF THE CITY OF MILLBRAE** receive and approve the workplan to develop a Green Infrastructure Plan in accordance with Municipal Regional Permit Requirements.

**REGULARLY PASSED AND ADOPTED** this 27th day of June, 2017.
