INSTRUCTOR HANDBOOK

About Millbrae

Thank you for your interest in becoming an independent Contract Instructor with the City of Millbrae Recreation Department. We are excited about the possibility of working together to reach our common goals as we serve our community.

The Recreation Department is dedicated to building strong families through the provision of recreational opportunities. We believe that the benefits of participating in recreational programs, classes, and events are more important than the activity itself.

Our Mission

To enhance the quality of life for all residents by promoting active and passive leisure experiences, wellness and fitness programs, enrichment classes, and special events to facilitate life long learning, sustain one's positive sense of well being and strengthen cultural awareness through services that unify the community.

How It Works

The Millbrae Recreation Department utilizes independent Contract Instructors to provide recreational services for our community. Programs may be designed for preschoolers, school age children, teens, adults, families, and seniors.

The process begins with the independent Contract Instructor "proposing" a course or activity. There is a form enclosed in this handbook that you must fill out completely (one form per course/activity). The proposal must then be submitted to the Millbrae Recreation Department.

The Recreation Coordinator will then review the proposal(s), assess the content of the course/activity to determine its potential in meeting the Department's vision and goals, and then contact you for a more detailed discussion.

The Recreation Department staff will work to suit everyone's needs; however, occasionally, not all needs can be met due to facility suitability, facility availability, course time frame, participant maximums and minimums, etc. If needed, staff will contact you with any changes that may need to be made.

Once all of the proposals have been reviewed by the Recreation staff, you will be sent a proof of the information regarding your course/activity. This is a proof of what the Activity Guide will look like. Any corrections that need to be made must be returned to the Recreation Department promptly.
