

# Water Wise Edible Organic Gardening Workshop

~ Free Admission ~

Wednesday, April 10, 2019  
7:00 pm - 9:00 pm  
Millbrae Library, 1 Library Avenue

RSVP: 650-349-3000; [www.bawsca.org](http://www.bawsca.org)

Learn how to reduce water needs for seasonal vegetable gardening by learning how to grow vegetables to harvest all summer long without using pesticides. Discover how to incorporate organic maintenance techniques, including how to use compost and cover crops. The class will include a planting project to take home to help you start your garden!

Attend and enter to win a free compost bin!
